You will be responsible for keeping the Service Manager constantly updated with the progress of jobs in the workshop.

Candidates must have the following attributes:

1. You must be qualified to City & Guilds level 3, BTEC or NVQ in Heavy Vehicle Mechanics, Maintenance & Repair or equivalent.
2. Experience of recently working in a similar automotive workshop environment.
3. Be able to demonstrate your experience or ability to supervise or manage a team of Technicians.
4. You must have practical knowledge of modern diagnostic equipment/techniques.
5. You must be computer literate.
6. A full, valid driving licence.
7. You must have the ability to work in a busy environment.
8. Displays a high level of enthusiasm and self motivation.
9. Have an excellent time and attendance record.

Desirable criteria:

1. Having a C + E (class 1) driving licence would be beneficial but is not essential.
2. Experience of using Iveco's 'Easy' diagnostic system.
3. Experience of using 'Keyloop' DMS.

Please note:

4. The main working hours for this role are 1400 to midnight Monday to Thursday.
5. Work on the dayshift may also be required and successful applicants must be flexible regarding working hours.
6. All technicians are required to attend Iveco training courses in England and attendance is mandatory and successful candidates must be able to travel.
7. The above list is not exhaustive and may be subject to change.
8. NI Trucks reserve the right to review the experience and qualifications required.
9. If you feel up to the challenge and have the relevant experience and ability we need please email your CV to jobs@ni-trucks.co.uk outlining how your experience meets the needs outlined above.
10. The closing date for receipt of applications is Friday 17 October 2025.
